My Dear Mary,
Well I'll try to write you a few lines
because you know I love you so
dearly. Well that's the most important
thing.

First of all, I'd like to say you are
a very sweet girl and have a wonderful
personality. Please stay that way al-
ways Mary.

Now don't ever forget our good old
talks we've had together. Keep your
big mouth shut? Ha! Of course Ann was
involved in this also.

Keep old Dabney High School rolling un-

May God Bless you and keep you for a boy I know.
use these opportunities will come knocking at your door so
and don't forget me! I know you will. Best wishes

June

P.S. Mary always remember the little conferences we have had in be-
tween classes about a certain person you are the sweetest person I have ever
met and I love you very much. That is one reason that I want you to have
the best of luck in the future. Nothing would please me more than to have
you join our family in every thing you undertake. I don't ever be afraid to
take over new problems because I don't come back to school next year. I don't
want you to forget me if I remember me always. What ever you decide to do
cause I want you to succeed. Always remember
in the future I know you will find I love you. Always remember
me and write to me when I get married. Always remember
Mary I sure will miss you next year
but I won't forget you.

I love you and Mary
very much!
